

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

138 REGULATIONS RESPECTING FOREIGN ORDERS, &c.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State at the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereon shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does authorise the assumption of any style of appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he has become eligible by increase of service in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person to whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed

REGULATIONS RESPECTING FOREIGN ORDERS, &c. 139

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services ren-

dered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects, in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

VI. If the Candidate succeeds in passing the Examination, he will be at once appointed to a Training Ship.

• These Examinations will take place on the first Mondays in the Months of March, June, September, and December.

6.—The Captain Superintendent of the Royal Naval College at Portsmouth will report to the Lords Commissioners of the Admiralty the names of those Cadets who have particularly distinguished themselves at the final Examination, and whose Conduct while on board the Gunnery Ship has been unexceptionable; with a view to their being appointed (should their Lordships think fit) to the Royal Naval College, where they will be allowed to continue a year to complete their studies, and at the expiration of that period they will, if they have made satisfactory progress, be appointed to vacancies in the Artillery Companies, or be attached "on command" from their divisions to those Companies for Artillery Instruction until vacancies occur.

7.—Such Cadets who have not made satisfactory progress at the end of the first year, or who fail to pass the final Examination at the end of the second year, will be discharged.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:
2. The Pensions authorized by these Regulations cannot be claimed as a right:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established before her death, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years, or, being a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his account.

iv. If her husband had been guilty of Bigamy: or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government, on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1834, and only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, at complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List, was in good health when he married, and it be clearly shown, that the disease which occasioned his death resulted from such service alone, did arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Warrant Officers (Gunners, Boatswains, Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (including time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in the Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during prior to her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the longest time to entitle him to Half-Pay.

9. The Pensions of Widows who shall have remarried prior to the 31st of December, 1834, shall be paid to themselves, and their receipts shall, notwithstanding their remarriage, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after date of these Instructions, her Pension shall be stopped from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, proof being adduced to the Admiralty that she is in a wealthy circumstance, and is otherwise deserving the Public Bounty, but it will be again liable to suspension in the event of her re-marrying. Widows who are re-marrying before date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their becoming Widows.

11. Every Officer, whether on Full or Half-Pay, who orders to facilitate the decision upon the claim of his Widow after his decease, to the benefit of these regulations, to his marriage within six months of its taking place, to Admiralty, according to the Form in the Appendix.

shall take a portion of the one eighth part, as if he were commander of a ship, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in various ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated appointment as to provide for each captain receiving six parts, each commander of a ship, or commander under the captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captives; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of ships.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:

And when the list of those actually on board, and separate list of persons absent, respectively belonging to the ship or vessel, shall have been verified on examination with the muster books lodged as official records, the assistant General of Our Navy shall, upon request, present to the agent or agents nominated or appointed by the captors or seizure, &c., a certificate that such list has been corrected in accordance with the provisions herein made in order that the distribution of the respective shares and proceeds payable as prize money may be duly made.

And in the event of difficulty arising with respect to the regulations hereby ordered, or if any case shall occur not herein provided for, or not sufficiently provided for, We are pleased hereby to authorize the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, to issue such regulations thereupon as may appear just and expedient; and such directions shall have the same force and effect as if actually provided for in this Our Royal Proclamation.

Provided, always, that the distribution hereinbefore ordered shall take effect only in respect to the proceeds of captures, seizures, and services as aforesaid, and shall be made and performed on and after the first of April one thousand eight hundred and fifty-four, that the proceeds arising from all captures, seizures, and services as aforesaid, made or performed prior to that date, shall be distributed in accordance with any Proclamation or Proclamations now in force or in force at the time of such captures, seizures, or services respectively and applicable thereto, which We are pleased hereby direct accordingly.

Admiralty, 8th October, 1843.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for Customs only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

The Lords Commissioners of the Admiralty direct, that the system of admission to this school by patronage, and any exclusive right of admission on the part of commissioned officers, shall cease for the future after the 31st December, 1849, with the exception of the right hitherto enjoyed by Lloyd's Patriotic Fund Committee.

Boys eligible for admission must be between 10 and 14 years of age, physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the four rules in arithmetic.

But no boys will be allowed to enter the Royal Navy against their own consent.

The "Naval Division" of the Greenwich Hospital School will consist of 110 boys, who will be discharged at the age of 15 years, unless specially recommended by the Principal of the school to remain an additional year for further instruction, which special cases will be taken into consideration by the Lords Commissioners of the Admiralty. The education in the Naval Division will embrace such mathematical instruction as is necessary to sound knowledge of the principles of navigation, theory and practice of marine surveying, construction of charts, the practical use of instruments for use on land and astronomical purposes, together with the necessaries of an English education, the study of the Bible and instruction in the doctrine of Christianity, with modifications in the course of instruction as the Lords Commissioners of the Admiralty may from time to time direct.

The education of the other boys, who complete the "Lower Division" of the school, will include reading, writing, spelling, arithmetic, the elements of Euclid, plane trigonometry, the principles of natural philosophy, together with such simple elements of natural science as are made the subjects of the evening lectures to the boys. Also the elements of an English history and religious instruction.

The practical instruction for the out-of-school boys consists of handling and splicing, a knowledge of the use of a ship and rigging, and the great gun and exercise.

Children of Roman Catholic or of Protestant dissenters will not be required to learn the Church catechism, and will be allowed to attend conveniently at public worship, in accordance with the religious opinion of their fathers, provided application be made in effect at the time of admission, by the father, or, and if the father be dead at the time of a child's admission, then the marriage certificate, or baptismal record of such child, according to the rites and ceremonies of any established religious communion, or a declaration to the said father's death, will be received as evidence of the religious tenets of the father; that no religiously authentic document written by the deceased and produced, expressing a contrary wish or direction, guards the religious instruction of such Child.

(NAVAL RETIREMENT.)

At the Court at Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, in the words following, viz.:

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service, and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of

Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"First, as relates to Captains"

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, who have served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"If on 10s. 6d. Half Pay List when retired 12s. per diem
If on 12s. 6d. " " " 20s.
If on 14s. 6d. " " " 28s.

"Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority had they remained on the Active List.

"Captains who may arrive at the head of the list with having served in that rank, to be placed on the list of Retired Flag Officers, with the pay of 30s. per diem.

"In making these proposals, we would humbly submit that Captains now on the 10s. 6d. Half Pay List, should not be affected by them, unless by their own desire.

"Second, as relates to Commanders."

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who hereafter attain the age, be placed on a Retired List, with the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the same scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, or in the Coast Guard, or as Mail or Transport Agents, within the period of fifteen years, to be placed on a Retired List, and receive Retired Pay according to their amount of Sea Service also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay."

"Scale of Retired Pay."

"Total Sea Service of the Rank of Commander and Lieutenant:—

Under 9 Years	Half Pay they are receiving at Time when retired
Above 9 Years, and less than 15 Years' Service	10 6
" 12 " " 15 "	12 6
" 15 " " 20 "	14 6
" 20 " " " "	16 6

"Officers after twenty years' service in those ranks who are physically incapable of service, to be eligible for retirement, with the rank and title of Retired Captain, irrespective of age, at the discretion of the Board of Admiralty.

"Time served in command of Revenue Vessels to count as Sea Time.

"Time served in the Coast Guard on Shore, or in Transport Service on Shore, to count as Sea Time, in the scale of Retired Pay, in the proportion of three years in the Coast and Transport Service as one of Sea Service.

"Time served as Mail or Transport Agents afloat to count for the above purpose as Sea Time, for the first years, and after that in the proportion of three years for time as one of Sea Service.

"For every year's service as Acting Lieutenant, Master, or Midshipman, after the completion of two years' service, or combined service in those ranks, an Officer allowed three pence per diem additional.

"Commanders who have been promoted to the Retired List of Captains under the Orders in Council of 25th 1851, and 16th January, 1854, will be entitled to Retired pay, on the above scale, according to their length of service.

"Lieutenants."

"We would humbly submit, that Lieutenants on the Active List who have attained, or who may hereafter attain, the age of sixty, be placed on a Retired List, with the rank and title of Retired Commander, and that they receive Retired pay to their Sea Service on the hereinafter mentioned scale.

"All Lieutenants on the Active List who have not been employed either afloat or in the Coast Guard, or in command of Revenue Vessels, or as Mail or Transport Agents, within the period of fifteen years, to be placed on a Retired List, and receive pay also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Commander on attaining the age of sixty, but without further addition to their Retired Pay."

NAVAL MEDALS.

Admiralty, 7th June, 1846.

The Lords Commissioners of the Admiralty having received from the Committee of Flag Officers the consideration of medals for which medals should be granted, in pursuance of the spirit of the Queen's most gracious instruction, is signified in the Gazette of the 4th June, 1847; and they have been pleased to approve of several of the proposals submitted by the said Committee, the nature of which is annexed for the information and guidance of the Admiralty, and may have claims to these honorable distinctions.

The rules directed by Her Majesty to be observed in the award of the Her royal favour, in so comprehensive a manner as to embrace all Officers, seamen, and marines, and soldiers who served as marines) who were present at any action which at the time received the approval of the Lords Commissioners of the Admiralty.

From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of importance by the promotion of the First Officer of the ship or ships, or the promotion of the Captain, if the action was fought by a small vessel; and in conformity with this practice, it is Her Majesty's pleasure that persons of every rank, who were present in action, during the wars commencing in 1793, and in 1813, and now living, shall receive a medal commensurate of their meritorious services; and they are directed to furnish to the Admiralty for each action in which they may have been engaged, according to the form herewith annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadeloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the

Navy, not only in the wars commencing in 1798, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1849,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the

annexed form A, and addressed to the Secretary of Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to assemble, as a committee for the investigation and adjudication of all claims sent in according to the previous form, viz.:

Admiral Sir T. Bram Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. W.

It is hereby given, that a portion of such Medals have been ordered to be distributed in the first instance to the Officers and Men on board Her Majesty's Ships in the Black Sea, and persons at present in the United Kingdom.

Notice will be given when the remaining portion of the Medals shall have been received.

Applicants must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of Petty Officers, Seamen, or Marines, it is indispensable that his application should be accompanied by his

certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1839.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

Tax plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

- 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 12. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.
- 2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.
- 3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1*l.* 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 12. 5s. per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF

25th JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

- 1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.
- 2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

- 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.
- 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the

Captains' List for ten years, to be eligible for retirement. The Retirement will so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting in three vacancies, except in special and individual cases, until the number is reduced to 350.

- F.** While my Lords have recommended the abandonment of the system of promotion in future, they are nevertheless desirous of meeting the claims of officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the above scale, according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

- T.** All Captains who have attained, or shall hereafter attain, the age of 60, who have served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10s. 6d. Half-pay List when retired	18s. per diem.
If on 12s. 6d.	20s. „ „
If on 14s. 6d.	20s. „ „

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in their Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number permanently exceeding 450, and the reduction will be effected thus:—

- 1st. By selecting 50 Commanders to be Captains, as above specified.
 - 2nd. By increasing to 100 the List of Commanders promoted to the rank of Captain.
- I.** Retired Captain under the Order in Council of 1840, and keeping such Retired List open until the number of Commanders on the Active List is reduced to 450.
- 3rd. By placing on reserved half-pay all Commanders who have not served in the Active List, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising pay or rank, or of receiving the Greenwich Out-Pension.
- M.** 4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)
- 5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the Notification relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs has taken the Queen's pleasure on such Notification, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for Her Majesty's Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification shall be inserted in the Gazette, signifying the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the discretion of the Queen, be signed by Her Majesty, and at the expense of the person in whose favour it is obtained, be registered in the High Court of Arms.

8. Every such Warrant shall contain a Clause providing that the Queen's Majesty's licence and permission shall authorise the assumption of the rank, precedence, appellation, rank, precedence, and privilege appertaining to a Knight of Her Majesty's Realms.

9. When a British Subject has been granted the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of the same Order, to which he may have become eligible by increase of Service in the Foreign Service, or in any of his own country; or any distinctive mark of honour subsequent upon the acceptance of the Order, and common to every person to whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed

REGULATIONS RESPECTING FOREIGN ORDERS, &c. 139

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

considered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept or wear Medals which, not being the creation of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be presented, as the case may be, to the Commander-in-Chief, the Master-General of Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all are equally in the hon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly declared before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order, as above required, such General Order to be issued by the Naval or Military Commander of the Force employing the service.

Eleventhly. It is ordained that the General Order as referred to shall from time to time be transmitted to the Secretary of State for War, to be laid before Us, and to be by him registered.

Twelfthly. It is ordained that as cases may arise failing within the rules above specified, or in a claim, though well founded, may not have been published on the spot, We will, on the joint submission of the Secretary of State for War and of Our Commander in Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the Navy, confer the Decoration, but never on a claim, unless on the performance of the act of bravery which the claim is made.

Thirteenthly. It is ordained that, in the event of an act of valour having been performed by a ship's company, a detached body of Seamen, and not under fifty in number, or by a brigade, or troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem are equally brave and distinguished, and that a selection can be made by them; there, in such Admiral, General, or other Officer commanding, or direct, that for any such body of Seamen or for every troop or company of Soldiers, one of them shall be selected by the Officers engaged for the act, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty or Non-Commissioned Officers engaged, and one Private Soldier or Marine shall be selected by the Seamen, or Private Soldiers, or Marines, respectively, for the Decoration; and the names selected shall be transmitted by the Secretary of State for War, or the Admiralty, or the War Office, to the Admiralty or the War Office, who shall in due manner confer the Decoration on the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Cross has been gained, be entitled to a Special Pension of Five Pounds a-year, and each additional Bar conferred on such Warrant or Petty Officer, or Non-Commissioned Officer or Man, shall carry an additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional Bar as shall effectually preserve pure this most distinguished distinction, it is ordained, that if any person to whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or be accused of any such offence and does not within a reasonable time surrender himself to be tried, or, if tried, his name shall forthwith be erased from the list of individuals upon whom the said Decoration has been conferred by an especial Warrant under the Sign Manual, and the Pension conferred on such person shall cease and determine from the date of such Warrant. It is hereby further declared that Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; and we shall at all times have power to restore such person, if at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, the ninth of January, in the nineteenth year of Our said Majesty, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
F. A. W.

(NAVAL RETIREMENT.)

At the Court at Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's Most Excellent Majesty in Council.)
Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, in the words following, viz:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional reward for past Service, and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service."

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect."

"First, as relates to Captains."

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"If on 10s. 6d. Half Pay List when retired	18s. per diem.
"If on 12s. 6d. "	"
"If on 14s. 6d. "	20s.

"Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List."

"Captains who may arrive at the head of the list without having served in that rank, to be placed on the list of Retired Flag Officers, with the pay of 20s. per diem."

"In making these proposals, we would humbly submit that Captains now on the 14s. 6d. Half Pay List, should not be affected by them, unless by their own desire."

"Second, as relates to Commanders.

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who may hereafter attain that age, be placed on a Retired List, with the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

NOTICE.

NAVAL TURKISH MEDALS.

Statement of the Accountant-General of the Navy
Admiralty, 1st March, 1859.

As my having been graciously pleased to approve of a Medal which has been awarded by the Sultan to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the year, 1854, the date of the landing of the Troops, and September, 1854, the date of the fall of Sebastopol.

It is hereby given, that a portion of such Medals have been issued, and will be distributed in the first instance to the Officers and Crews of Her Majesty's Ships and Stations, and persons at present in the United Kingdom.

As some will be given when the remaining portion of the Medal will have been received.

It is requested that the rank or rating, and the ship or ships on board which he served, also in the Turkish Army, or Marine, is indicated in his application should be accompanied by a

certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given. Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.
